As we live in this modern era of busy scheduled life style and self-interested thinking, our sense of responsibility towards our society should be our priority to enhance for the development of our country. Nirmala Foundation is an NGO that make a difference in your life and society. We focus on encouraging young empowerment and financing education and health care facilities for blind children, and we welcome everyone who believes in a better future to join us and begin working right away.

We provide a platform for those who sincerely want to come forward, contribute, and participate in the nation's development. Sankalp is a groundbreaking initiative in India that strives to empower blind people in all aspects of their lives. Our non-profit organization also sponsors various healthcare and educational programs to assist blind youngsters.

Nirmala Foundation encourages the blind and deaf people in every possible manner for the upliftment of the blind and deaf people in the society. We also work to change the general public's perceptions about the blind and deaf people generally. Our efforts are focused on providing education, resources, and services to visually impaired children for them to become more independent as they grow older. We are working assiduously and putting our best efforts to create a society where vision loss people should be treated equally in every manner according to their needs.

We are committed to support in every possible manner for the blind children by providing them with basic education and healthcare facilities. In this way, being a member of the Nirmala Foundation provides you with an excellent opportunity to do good for the upliftment of weaker section of society. We are requesting you to help our foundation for the student by sending money monthly as per your comfort so that they can continue their study.
